HOW DOES POLICY AFFECT MY BUSINESS?

In **2015-2016** EEBC advocated for energy efficiency programs and pilots for the Xcel Energy's 2016-2017 DSM Plan and Black Hills Energy's 2016-2018 DSM Plan, the new pilot projects, including a new wifi thermostat and multifamily housing pilot at Xcel Energy and low-income assistance programs at Black Hills Energy.

Has your company earned contracts from Xcel Energy to analyze and support these budgets? If so, please become a member of EEBC today!

In 2017 EEBC will be intervening in the Strategic Issues Docket and at the legislature to extend DSM programs and rebates for another 10 years.
